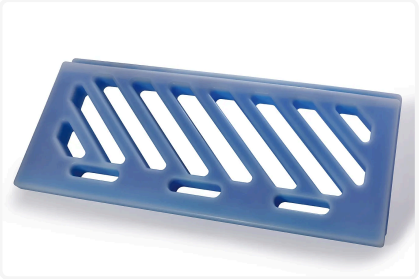
ARTICLE CODE	DESCRIPTION
WMC-8021	Eutectic cooling plate Cargo 1300/1300 TW - 835x353x45mm - -21°C

BRAND

Melform



PRODUCT DESCRIPTION

Eutectic plates ensure long-lasting temperature retention without power supply
Robust and ergonomic design that is easy to handle and position
Format is perfectly compatible with Cargo Line 1300 containers
Internal liquid is non-toxic and outer surface is food-safe PE
Stored thermal energy: 120 Wh
Freeze for at least 24 hours at -30°C before use
During freezing: vertical placement with closure on top, or horizontal placement with closure facing up
Keep a minimum distance of 4 cm between the plates
Correctly conditioned when the liquid is fully frozen, shake to check if the contents are completely frozen
Optimal performance is only guaranteed when the plate is fully frozen
