| WMC-8011 | Eutectic cooling plate GN1/1 - 530x325x30mm - +3°C |

## BRAND

Melform

## PRODUCT DESCRIPTION

Eutectic plates ensure long-lasting temperature retention without power supply
Robust and ergonomic design for easy handling and placement
GN 1/1 size is fully compatible with Thermax line containers
Internal liquid is non-toxic and exterior is food-safe PE
Stored thermal energy: 240 Wh
Freeze for a minimum of 24 hours at -10°C before use
During freezing: place vertically with the cap on top, or horizontally with the cap facing up
Keep at least 4 cm distance between plates
Properly conditioned when the liquid is fully frozen; shaking the plate allows you to check if the contents are fully frozen
Optimal performance is only guaranteed when the plate is fully frozen

## SPECIFICATIONS

| | |
